PROSPECTUS OF THE CHRISTIAN  
MINIATURE FAMILY LIBRARY.

Published in Quarterly Volumes, each complete in itself, containing nearly 400 pages, royal 32mo. neatly and strongly bound in fancy embossed cloth, gilt edges, and illustrated with a beautifully engraved steel frontispiece, and vignette. Price 1s. 6d.

PUBLISHED BY R. EDWARDS.

This is the age of Cheap Publications. The learning which was formerly confined to the cell of the cloister or the hall of the college, has now become common property. Most of the choicest works, whether of poetry or philosophy, science or religion, are being brought within the reach of all classes, by being published in the form of "People's Editions." This thirst for knowledge has become an important "sign of the times" and one which, if fully appreciated and wisely directed, must lead to the most blessed results.

It has long been a matter of deep regret, expressed alike from the pulpit and the press, that by far the cheapest and most widely circulated publications of the day consist of those which, are not only improper in their expressions, but injurious in their tendency.

In view of this view of the actual state of the case, and desirous of doing something towards improving it, this proposal of a series of Quarterly Volumes, compiled from the pens of the best living writers, has originated with the Publisher. It is his intention to offer to the Public, a Library of volumes of unquestionable excellence, at such a low charge as to enable every family in the Kingdom to purchase them.

The Publisher confidently appeals to all classes of the community to assist him in this responsible undertaking. Parents! would you have in the hands of your children, works, which they may read with the utmost safety and with fervent anticipation of good as to the result?—Present to your families the volumes of "The Christian Miniature Family Library." Ministers! would you have your people, whether old or young, engaged in a course of reading which cannot fail to benefit them? recommend the volumes of "The Christian Miniature Family Library." Teachers! both of Day and Sabbath Schools, these works are especially adapted to you and your scholars. Working Men and Women of Great Britain! by laying out three half-pence weekly, you will have more at the end of each quarter than enough to obtain a quarterly volume. He asks then the co-operation of all classes, that he may be enabled to offer to the community the cheapest and most valuable works yet published.

## INTRODUCTION.

---

IN presenting the Cheltenham Directory for 1850 to the Public, the Proprietor has to express his gratitude for the great patronage which that for 1849 received, and which has stimulated him to enlarge and improve the present volume. The Street Directory now comprehends the principal commercial parts, in addition to the more aristocratic localities. The greatest care has been taken, and no endeavour spared, to produce a correct fashionable, professional and commercial Directory ; and the Proprietor feels confident that his labours will meet that patronage it has been his indefatigable study to deserve.

## THE GREAT PURIFYING MEDICINE OF THE PRESENT AGE,

By the use of which so many HUNDREDS of striking cures have been effected,  
and many of which cases had been pronounced INCURABLE.

### WHELPTON'S VEGETABLE PURIFYING PILLS.

*It is impossible, in a small advertisement, to give a statement of the numerous cures effected by this medicine; the following are well attested. More than*

**200** Cures of Ulcerated Sores without either Salve or Ointment!! Only wash the wounds with warm milk and water, night and morning, to cleanse away the foul humour, as the Pills purge it out of the blood.

**14** of Scurvy and confirmed Scrofula, one of 20 years standing  
**4** of Abscess, after having been given up as incurable, by eminent medical men.

**35** of Inflammation, and obstructions in the loins, bladder and urinary organs

**500** of Cough, stuffing in the chest, difficult breathing, stomach complaints, indigestion, bilious and liver affections and affections in the head.

**6** of Spasm in the chest, two cases were of twenty, and one of twenty-four years standing. A great many of Rheumatism, among whom are many highly respectable persons: and thousands of worms have been expelled from both children and adults, which had occasioned great pain and weakness in the stomach and bowels. Thus, the utility of these Pills as a family medicine, must be apparent to all.

The above cases are only a sample of the thousands of cures which have been effected by this medicine, during the last twelve years. By the urgent request of the parties cured, very many of their cases, year after year, have been put forth to the Public; but to publish the whole would be to fill a large volume! The great and regular sale of Whelpton's Pills prove that the statement of plain truth only is needed, to recommend a really good medicine, to the enlightened and intelligent part of the public.

*Prepared and Sold Wholesale and Retail, in Boxes,*

Price 7½d, 1s, 1½d. and 2s 9d each, by G. WHELPTON, 7, St. Alkmund's Church Yard, Derby: and Mr. EDWARDS, 82, High Street, Agent for Cheltenham.
