PUBLISHED BY R. EDWARDS.

This is the age of Cheap Publications. The learning which was formerly confined to the cell of the cloister or the hall of the college, has now become common property. Most of the choicest works, whether of poetry or philosophy—science or religion, are being brought within the reach of all classes, by being published in the form of "People's Editions." This thirst for knowledge has become an important "sign of the times" and one which, if fully appreciated and rightly directed, must lead to the most blessed results.

It has long been a matter of deep regret, expressed alike from the pulpit and the press, that by far the cheapest and most widely circulated publications of the day, consists of those which, are not only improper in their expressions, but immoral in their tendency.

Alive to this view of the actual state of the case, and desirous of doing something towards improving it, this proposal of a series of Quarterly Volumes, coming from the pens of the best living writers, has originated with the Publisher. It is his intention to offer to the Public, a Library of volumes of unquestionable excellence, at such a low charge as to enable every family in the kingdom to purchase them.

The Publisher confidently appeals to all classes of the community to assist him in his responsible undertaking. Parents! would you have in the hands of your children works which, they may read with the utmost safety and with fervent anticipations of good as the result, present to them the volumes of "The Christian Miniature Family Library." Ministers! would you have your people, whether young or old, engaged in a course of reading which cannot fail to benefit them, recommend the volumes of "The Christian Miniature Family Library." Teachers! both of Day and Sabbath Schools, these works are especially suitable for you and your scholars. Working-Men and Women of Great Britain! by laying by three half-pence weekly, you will have more at the end of each quarter than is required to obtain a quarterly volume. We ask, then, the co-operation of all classes, that we may be enabled to offer to the community the cheapest and most valuable works yet published.

## INTRODUCTION.

---

The Publisher of the CHELTENHAM ANNUAL DIRECTORY, in presenting the volume for 1851 to the Public, has to express his thanks for the great patronage which that for 1850 received, and which has stimulated him to improve the present work.

The Street Directory now comprehends the principal commercial parts, in addition to the more fashionable localities. The greatest care has been taken in correcting all changes, and the Proprietor trusts that his efforts will meet with that patronage it has been his study to deserve.

Future editions will meet with every improvement calculated to render it worthy of general acceptance. In order to attain this desideratum, it is respectfully solicited that any inaccuracies in the present work,—changes of ministers, public officers, or information relating to any matter of local importance may be forwarded to the Publisher, for insertion in a book kept for that purpose.

The Colonial Company has been established for the purpose of affording the benefits of Life Assurance to persons resident in the Colonies, or in India. Before the establishment of the "Colonial" Life Assurance in the Colonies was almost unknown, and when its protection was afforded the rates demanded were so exorbitant, as to be almost a complete bar to such transactions.

The Company commenced business in 1846, and the result which has attended its operations fully bears out the anticipations of success which its founders entertained.

No extra charge is made for residence in Canada; and parties have the privilege of passing between Great Britain and North America free of expence.

For residence in India, the United States, South America, the Cape of Good Hope, West Indies, Australia, &c. the rates will also be formed very moderate.

Prospectuses and every information may be had on application to the undermentioned.

## THE GREAT PURIFYING MEDICINE OF THE PRESENT AGE.

By the use of which many HUNDREDS of striking cures have been effected,  
and many of which cases had been pronounced INCURABLE.

### WHELPTON'S VEGETABLE PURIFYING PILLS.

*It is impossible in a small advertisement, to give a statement of the numerous cures effected by this medicine; the following are well attested. More than*

**200** Cures of Ulcerated Sores without either Salve or Ointment!! Only wash the wounds with warm milk and water, night and morning, to cleanse away the foul humour, as the Pills purge it out of the blood.

**14** of Scurvy and confirmed Scrofula, one of 20 years standing  
**4** of Abscess, after having been given up as incurable, by eminent medical men.

**35** of Inflammation, and obstructions in the loins, bladder, and urinary organs.

**500** of Cough, stuffing in the chest, difficult breathing, stomach complaints, indigestion, bilious and liver affections and afflictions in the head.

**6** of Spasm in the Chest. two cases were of twenty, and one of twenty-four years standing. A great many of Rheumatism, among whom are many highly respectable persons: and thousands of worms have been expelled from both children and adults, which had occasioned great pain and weakness in the stomach and bowels. Thus the utility of these Pills as a family medicine, must be apparent to all.

The above cases are only a sample of the thousands of cures which have been effected by this medicine, during the last twelve years. By the urgent request of the parties cured, very many of their cases, year after year, have been put forth to the public; but to publish the whole would be to fill a large volume! The great and regular sale of Whelpton's Pills prove that the statement of plain truth only is needed, to recommend a really good medicine to the enlightened and intelligent part of the public.

*Prepared and Sold Wholesale and Retail, in Boxes.*

FINCH'S  
**Antibilious Pills,**  
(From Savory, Moore and Co., Chemists to the Royal  
Family, London.)

In cases of Bilious Affections, Sick Head-aches, Pleurisy, Disorders of the Bowels, Giddiness, Liver Complaints, Worms, Erysipelas, &c., &c., they have been of the most essential service. Valuable however, as they are in themselves, it is desirable ever to remember, that their sole efficacy in affording relief, depends entirely upon the blessing of GOD.

The usual dose for an adult is, two at bed time every other night for a week, afterwards as occasion may require; and if not sufficiently active, a tea-spoonful of Epsom Salts in a quarter of a pint of warm water, should be taken early the following mornings.

Sir,—I have the satisfaction to inform you, respecting your *Antibilious Pills*, that my ~~illness~~ <sup>illness</sup> ~~is~~ <sup>is</sup> ~~greatly~~ <sup>greatly</sup> ~~affected~~ <sup>affected</sup> with Giddiness in the Head, Faintness, and Bilious Affection; and, by taking a dose or two, now and then, they so much relieve him that he soon becomes quite restored.
