INTRODUCTION.

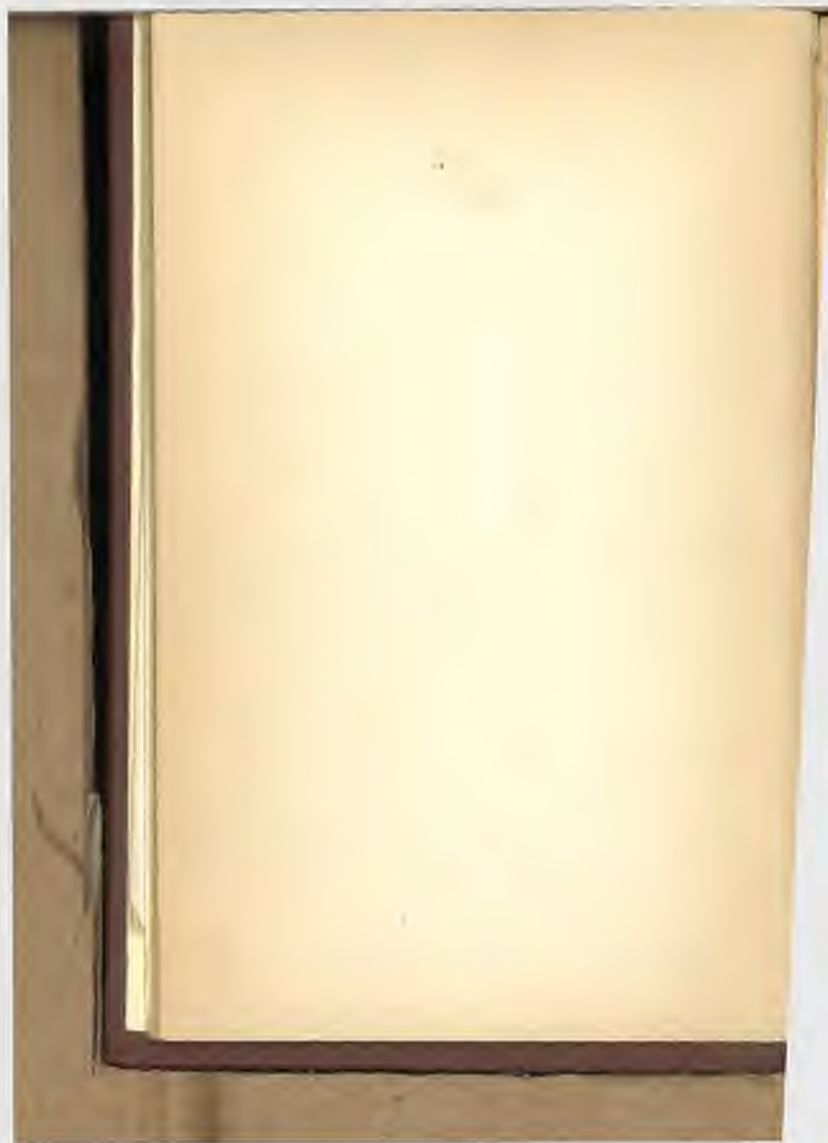

The Publisher of the CHELTENHAM ANNUAL DIRECTORY has much pleasure in stating, that his efforts in producing the four past editions at such a low price, have been signalized by the great success which demands his expressions of gratitude.

In tendering his acknowledgment to his Friends and the Public for their generous support, he begs to assure them, that every attention shall continue to be given to the accuracy of future editions.

In the compilation of the present work, every available means has been adopted to ascertain all changes, &c., up to the time of printing, so as to render it correct, and the Publisher hopes it will meet with that approval from the subscribers it has been his endeavour to merit.

CHURCH OF ENGLAND

LIFE & FIRE ASSURANCE TRUST & ANNUITY INSTITUTION,
LOTHBURY, LONDON.

Empowered by Special Act of Parliament, 4 and 5 Vic., Cap. 92.

SUBSCRIBED CAPITAL ONE MILLION.

One-tenth of the entire profits of this Institution is applied to the relief of distressed and aged Clergymen, and the Widows and Orphans of Clergymen who may be recommended by the Bishops, or by the Clergy of their respective localities.

LIFE DEPARTMENT.

In the PROPRIETARY Branch, Assurances are granted at the Lowest possible Rates of Premium, consistent with the security of the Establishment. Such Assurances may be effected in a great variety of ways, to suit the circumstances and convenience of the Assured. Among others, the specimen of the rates required for £100, payable on the Assured attaining SIXTY years of age OR AT DEATH, if that event should happen previously, is particularly deserving of attention.

FIRE DEPARTMENT.

Premiums for Assurances against FIRE are charged at the usual moderate rates, with a reduction of £10 per cent on the Residences and Furniture of Clergymen, and the Buildings and Contents of Churches and Church Schools.

GENERAL REMARKS ON THE TABLES.

The Tables have been carefully constructed, expressly for this Office, and to meet the many different views and circumstances of the Public, whether for the temporary object of providing facilities for obtaining LOANS securing Debts, the more permanent interests connected with property, or the important one of providing for the discharge of our social obligations. Those now prepared are calculated to meet most contingencies upon which life depends; yet, as other modes of Insurance may be desired, the Directors are willing to entertain any proposition which may be made, and which may be conformable to the regulations of the Establishment.

The Rates, though sufficiently high to ensure, are yet as low as are consistent with safety to the Institution, affording, in addition to the Capital pledged for the performance of its obligations, the best guarantee of security to its Insurers.

THE COLONIAL LIFE ASSURANCE COMPANY.

CAPITAL, £500,000

THE COLONIAL LIFE ASSURANCE COMPANY has been established for the purpose of extending to the Colonies of Great Britain, and to India, the full benefit of Life Assurance; and for the purpose of giving increased facilities to persons visiting or residing in Foreign countries. The Company is registered and empowered under the Act of Parliament, 7 and 8 Vic., Cap. 110.

THE RATES which the Company have adopted have been formed on the most correct observations which exist as to the value of life in the different places to which the Company have extended their business.

THE PROFITS of the Company will be ascertained and divided at certain intervals: the First Investigation and Division being in 1854, when each Policy having a right to participate in the Profits, will share in the Fund to be allocated for Division among the Assured, according to the Profits which the Company may calculate to have arisen on the particular Class of Risks to which such Policy may belong.

Detailed Prospectuses with the lists of the various Tables, the necessary Forms of proposal, and every requisite Information as to the mode of effecting Assurances in this as also the above Office, may be obtained either by letter, or personal application, to

The HAIR RESTORED, BALDNESS & GREYNESS PREVENTED,

BY

BEETHAM'S CAPILLARY FLUID.

The truly wonderful efficacy of this unique preparation is the theme of admiration wherever introduced. It effectually prevents the hair falling off or turning gray, promotes its growth on places that have been bald for years, strengthens weak and fine hair, and gradually restores its natural colour without the use of dye. It cleanses the head from scurf, and imparts a beautiful transparent glossy appearance, and keeps it in any desired form. In inducing the growth of whiskers eyebrows, moustaches, its effect is surprising.

Bottles, 2s. 6d. and 4s. 6d.; double size, 7s. 6d.; family bottles, 11s., equal to six small.

EASE AND COMFORT IN WALKING.

BEETHAM'S CORN AND BUNION PLASTER.

This most important discovery causes the greatest delight and astonishment wherever it is introduced. Its effect, to use the words of numerous correspondents, is truly miraculous the most inveterate Corns, Bunions, and those ugly; slightly and painful enlargements of the GREAT TOE JOINTS, which disfigure the beautiful symmetry of the foot, have been immediately relieved from all pain and uneasiness, and in a short time entirely dispersed, after twenty years' suffering. Unexceptionable references are allowed to be given to individuals almost in every part of the United Kingdom.

Sold in packets, 1s. and boxes, 2s. 6d.

CHAPPED HANDS AND ARMS PREVENTED.

THE SKIN PRESERVED AND BEAUTIFIED.

BEETHAM'S ROYAL DETERGENT BALM stands unrivalled for imparting to the neck, hands, and arms, a softness and delicacy unaccomplished by any other means. It induces a healthy action of the skin, and the sallow or yellow hue of the countenance is succeeded by a healthy and attractive appearance; the cheeks soon assume a radiant bloom, and wrinkles (the great enemy to youthful appearance) rendered scarcely perceptible. It possesses a refreshing and grateful perfume, and its extraordinary power in removing tan spots, freckles, and other discolourations and irritation of the skin, occasioned by heat, travelling, cold winds, or other causes, render it universally appreciated. Half-pint bottles, 2s. 9d.; pints, 4s. 6d.

IMPORTANT TO TEA DRINKERS.
HORNIMAN AND CO. TEA MERCHANTS,
DALSTON PLACE, LONDON,

Knowing that Pure Teas highly conducive to health, have for years, past supplied Establishments in most parts of the Kingdom with UN-COLOURED GREEN, STANDARD BLACK, and MIXED TEAS, at 4s. 4d. and 5s per Pound. The Green Tea, although the same kind as the superior sorts usually sold, is in colour a dark olive, being free from Prussian blue, with which the green tea usually sold is covered. Being secured in air-tight Catty Packages, its freshness and strength is fully retained; also its admixture with other and inferior tea is rendered impossible.

OBSERVE—That on the packages is the following Label

HORNIMAN AND CO.'S
MIXED TEA, at 5s. and 4s. 4d. per lb.
 COMPOSED OF
STANDARD BLACK & UN-COLOURED GREEN,
 Free from the artificial blue appearance—being in colour a dark olive. It is found to be at least one shilling per pound better for the money than the tea commonly sold, as it comes to the consumer direct from the first hands, without undergoing the painting, which destroys the wholesomeness of the kinds in common use.
 This tea is composed of the *small leaves* from the first or spring crop of the choicest sorts, and is found by tea-drinkers, the *purest, best, and cheapest.*

 TEA IMPORTERS, DALSTON PLACE, LONDON

Sold by JOHN TYLER, Confectioner, 8, Hewlett Street,
and T. SIMS, Confectioner, 148, High Street,
 CHELTENHAM.

From "The Times," Sept. 24, 1851.—"UNCOLOURED TEA.—A sale by public auction of tea grown by the East India Company, took place yesterday the 23rd inst, at the Commercial Sale rooms, Mincing lane. The whole, comprising most sorts of both black and green kinds, were disposed of. The Hon. East India Company have for some years past cultivated the China tea plant (by natives of China) in India, on the slopes of the Himalayas. The most important feature in this tea is that the superintendent, Dr. Jameson, has not allowed the Chinese to coat over with Prussian blue, &c. the green tea, as is their custom in China to all they send to England. The Hon. Company certainly show a correct taste in not having their tea painted. Sir John F. Davis, in his 'China,' states the Chinese themselves do not use the coloured green tea they prepare for our market." Mr. Forture, who has for some seasons been in China selecting tea plants for the Hon. Company, writes—"I took some trouble to ascertain precisely the quantity of colour used in the process of dyeing green teas intended for export to England. To 14½lbs of tea was applied rather more than an ounce of blue colour. For every 100lbs of coloured green tea which are consumed in England or America, the consumer eats rather more than 100 of injurious colour."

200 Cures of Ulcerated Sores without either Salve or Ointment!! Only wash the wounds with warm milk and water, night and morning, to cleanse away the foul humour, as the Pills purge it out of the blood.

4 of Abscess, after having been given up as incurable, by eminent medical men.

35 of Inflammation, and obstructions in the loins, bladder, and urinary organs.

500 of Cough, stuffing in the chest, difficult breathing, stomach complaints, indigestion, bilious and liver affections and afflictions in the head.

6 of Spasm in the Chest, two cases were of twenty, and one of twenty-four years standing. A great many of Rheumatism, among whom are many highly respectable persons: and thousands of worms have been expelled from both children and adults, which had occasioned great pain and weakness in the stomach and bowels. Thus the utility of these Pills as a family medicine, must be apparent to all.

The above cases are only a sample of the thousands of cures which have been effected by this medicine, during the last twelve years. By the urgent request of the parties cured, very many of their cases, year after year, have been put forth to the public; but to publish the whole would be to fill a large volume! The great and regular sale of Whelpton's Pills prove that the statement of plain truth only is needed, to recommend a really good medicine to the enlightened and intelligent part of the public.

PROSPECTUS OF THE CHRISTIAN

MINIATURE FAMILY LIBRARY,

To be Published in Quarterly Volumes, each complete in itself, containing nearly 400 pages, royal 32, neatly and strongly bound in fancy embossed cloth, gilt edges, and illustrated with a beautifully engraved steel frontispiece, and vignette.

Price 1s. 6d. PUBLISHED BY R. EDWARDS.

This is the age of Cheap Publications. The learning which was formerly confined to the cell of the cloister or the hall of the college, has now become common property. Most of the choicest works, whether of poetry or philosophy—science or religion, are being brought within the reach of all classes, by being published in the form of “People’s Editions.” This thirst for knowledge has become an important “sign of the times;” and one which, if fully appreciated and rightly directed, must lead to the most blessed results.

It has long been a matter of deep regret, expressed alike from the pulpit and the press, that by far the cheapest and most widely circulated publications of the day, consists of those which, are not only improper in their expressions, but immoral in their tendency.

Alive to this view of the actual state of the case, and desirous of doing something towards improving it, this proposal of a series of Quarterly Volumes, coming from the pens of the best living writers, has originated with the Publisher. It is his intention to offer to the Public, a Library of volumes of unquestionable excellence, at such a low charge as to enable every family in the kingdom to purchase them.

The Publisher confidently appeals to all classes of the community to assist him in his responsible undertaking. Parents! would you have in the hands of your children, works which they may read with the utmost safety, and with fervent anticipations of good as the result, present to them the volumes of “The Christian Miniature Family Library.” Ministers! would you have your people whether young or old, engaged in a course of reading which cannot fail to benefit them, recommend the volumes of “The Christian Miniature Family Library.” Teachers! both of Day and Sabbath Schools, these works are especially suitable for you and your scholars. Working Men and Women of Great Britain! by laying by three half-pence weekly, you will have more at the end of each quarter than is required to obtain a quarterly volume. We ask, then, the co-operation of all classes, that we may be enabled to offer to the community the cheapest and most valuable works yet published.
