ADVERTISEMENT.

THE Publisher of the CHELTENHAM ANNUAIRE AND DIRECTORY presents his Twenty-First volume to the Public, in the confident expectation that it will be found deserving the favorable reception to which it aspires, and which its precursors for the last twenty years have uniformly experienced.

It will be seen by those to whom the Work is already known, that to the Directory for 1856, very considerable additions have been made—a newly arranged Street Guide, accompanied by a Plan of the Town showing its Electoral Divisions, and a Classified List of the Tradespeople—being now, for the first time, introduced; the arrangement of the whole has also undergone material alteration, with the view of rendering its contents more readily available—the Lists of Local Authorities, Institutions, and Public Societies following the Trade Directories, under a continuous numeration, instead of being placed as an Appendix, and separately paged, as formerly.

These enlargements and alterations have necessitated the publication of the County portion of the Work—which has also undergone very considerable expansion—and, it is hoped, improvement—as a distinct Part, which may be had bound up with the Cheltenham portion, or procured separately, at the option of the purchaser.

To those kind friends who have assisted in the correction and compilation of the Cheltenham and Gloucestershire Annuaire and Directory for 1857, the Publisher here begs to tender his very grateful and sincere thanks.

Cheltenham, January 1st, 1857.

* * * Through an oversight in the mechanical arrangement of the Classified Trade Directory, (page 185), several of the Trades have been placed out of their alphabetical order—an error which will be corrected in a future year.

STREET GUIDE AND DIRECTORY.

In the following Alphabetical arrangement of the various Streets and other places of which the Town of Cheltenham consists, the situation of each is endeavoured to be indicated by reference, first, to its nearest known locality, and, secondly, to the Ward in which it is situated, so as to guide a stranger at once to the direction in which it will be found; the capital letters, E, N, W, M, and S, referring to the East, North, West, Middle, and South Wards; those thoroughfares in which two or more initials are employed being Streets along which the line of severance travels down the centre—as High Street, Portland Street, Rodney Terrace, &c.

The Directory is strictly confined to Streets inhabited either wholly or in part by the Resident Gentry—those occupied by persons engaged in trade, or by the labouring classes generally, being passed over, for the obvious reason that any attempt to furnish a correct list of their inhabitants would be as impossible as unnecessary in a work expressly designed for the use of the upper circles of society, or persons extensively engaged in trades and callings having constant intercourse therewith.

LETTERS FOR WARM CLIMATES NOT TO BE SEALED WITH WAX.—The practice of Sealing Letters for the East and West Indies, and other warm climates, with Wax is attended with much inconvenience, and frequently with serious injury to the Letters, in consequence of the melting of the wax, and adhesion of the Letters to each other.

ARTICLES WHICH MAY NOT BE SENT BY POST.—Letters or Packets containing any of the following inclosures, cannot be forwarded through the Post Office, *viz.*, any Glass or Glass Bottle, any Razor, Scissors, Knife, Fork, or other sharp or pointed Instrument; any Leeches, Game, Fish, Flesh, Fruit, Vegetable, or other perishable substance; any Bladder, or other vessel containing liquid; or any Article, Matter, or Thing whatsoever, which might, by pressure or otherwise, be rendered injurious to the Officers of the Post Office, or to the contents of the Mail Bags.

FRENCH POSTAGE.—A new postal treaty has been entered into with France, the principal effect of which will be the reduction of the postage upon pre-paid letters weighing not more than 1 oz. (a weight which includes the great majority) to 4d., instead of 8d. or 10d., as heretofore. This reduced postage of 4d. will carry the letter from any part of the United Kingdom to any part of France or Algeria. If the letter be posted unpaid, the charge will be double. Under the provisions of this treaty the postage on letters passing through England or France will also in many cases be reduced. On all these points detailed information will be issued.

CHELTENHAM,

Beg respectfully to invite an inspection of their **MAGNIFICENT STOCK** of **JEWELLERY, PLATE, PLATED GOODS, CLOCKS,** and **ENGLISH** and **GENEVA WATCHES**, which abounds in every novelty produced.

WATCHES & CLOCKS.

Messrs. M., B., and Co. having paid particular attention to this Branch of their Business for upwards of **Forty Years**, and being **MANUFACTURERS OF ENGLISH AND IMPORTERS OF FOREIGN WATCHES AND CLOCKS**, they are enabled to offer the best quality of Workmanship at the lowest remunerating Prices, and hold themselves responsible for their correct performance, which, if not giving satisfaction, will be rectified or exchanged. It is very possible lower prices may be offered, but an inferior article is not desirable in the purchase of a Watch or Clock. A few of the Watches usually advertised are kept, which occasionally perform very correctly, but they cannot with confidence recommend them. Clocks attended to and wound by the year, at moderate charges.

Messrs. M., B., and Co., beg to observe that they have not spared any expense to obtain the first London workmen in each department, Watches and Clocks being so often injured from being placed in unskilful hands.

They have also workshops for the Repairs of every description of Jewellery. **SEPARATE SHOW ROOMS** have recently been fitted up for the **PRODUCTIONS OF THE CONTINENT**, where will be found a splendid assortment of **PARISIAN CLOCKS, CANDELABRAS, BRONZES,** and Articles of an inexpensive character, suitable for presents.
