STREET GUIDE AND DIRECTORY.

In the following Alphabetical arrangement of the various Streets and other places of which the Town of Cheltenham consists, the situation of each is endeavoured to be indicated by reference, first, to its nearest known locality and, secondly, to the Ward in which it is situated, so as to guide a stranger at once to the direction in which it will be found; the capital letters, E, N, W, M, and S referring to the East, North, West, Middle, and South, Wards; those thoroughfares in which two or more initials are employed being Streets along which the line of severence travels down the centre—as High Street, Portland Street, Rodney Terrace, &c.

The Directory is strictly confined to Streets inhabited either wholly or in part by the Resident Gentry—those occupied by persons engaged in trade, or by the labouring classes generally, being passed over, for the obvious reason that any attempt to furnish a correct list of their inhabitants would be as impossible as unnecessary in a work expressly designed for the use of the upper circles of society, or persons extensively engaged in trades and callings having constant intercourse therewith.

*as is calculated to interest the Residents and Visitors of Cheltenham,
and their friends at a distance.*

This popular little Paper has now been established upwards of six and twenty years, and has obtained the approval and support of the affluent and educated circles of society to an extent probably unexampled in the annals of the Provincial Press—having, through all the changes of time and vicissitudes of fashion maintained its influence unimpaired, and commanded, probably, a more extensive local circulation than any other Newspaper published in Cheltenham. Nor will the reader find in any existing Journal of the district more authentic or earlier information relative to such matters as are likely to prove of general interest, while its notices of passing events, and of the public amusements and pastimes of the Town, are uniformly dictated in a spirit of impartiality, and with every desire to preserve a faithful register of the Sayings and Doings of which the Looker-On professes to take cognizance. Its form, and the hour of its publication, render it peculiarly eligible for the companionship of the breakfast table; while the character of its contents as peculiarly qualify it for introduction into the drawing room.

The LOOKER-ON is published every Saturday Morning, at Nine o'clock, and is delivered at the residences of Subscribers as soon after as possible. An edition is printed late on Friday Night for delivery in the surrounding villages, coincidentally with the delivery in the Town; an extra penny being charged for its transmission by post.

Montpellier Spa, Gardens, and Baths.

The Lessees who have recently entered upon the occupation of the above well-known Property, beg respectfully to inform the Residents and Visitors of Cheltenham, that it is their intention, by a judicious course of renovation and extension, to render the MONTPELLIER SPA one of the greatest attractions of this delightful place of resort.

The Mineral Waters of Cheltenham, especially those of the MONTPELLIER SPA, have long been esteemed for their valuable qualities.

The spacious PUMP ROOM (declared by Madame Goldschmidt Lind to be one of the most effective for Musical Performances in which that distinguished Vocalist ever sung) will be lighted with Gas and otherwise improved and decorated, to render it more generally available for Concerts, Public and Private Balls, &c., &c.

THE GARDENS have been considerably enlarged, and it is the intention of the Lessees, by Ornamental Planting and a re-arrangement of the Walks, to make them a pleasing and desirable promenade; while the different Lawns, devoted to Archery and other Amusements, will be carefully maintained.

THE MONTPELLIER BATHS will undergo a thorough repair, and additional accommodation will be provided if required. In particular it may be stated that arrangements will be made for the frequent and perfect change of Water in the SWIMMING BATH. In short, however great the requirements of the Subscribers may be, the Lessees purpose to meet them in a liberal manner, ensuring necessary attendance, cleanliness, and comfort in every department.

The extent of the alterations and renovation of the Baths and Gardens will depend in a measure upon the support which may be given to the Lessees by the Cheltenham Public; it is therefore deemed desirable at once to form a Scale of ANNUAL Subscriptions for certain advantages, and to canvass the Nobility, Gentry, and Residents generally; in order to form some tolerably correct estimate of their requirements. When, however, the Lessees consider the magnitude and character of the population of the QUEEN OF WATERING PLACES, they entertain little doubt that so valuable a desideratum as that which they propose to offer will be generously supported,

Annual Subscriptions, &c.

Family Subscription, affording to Four persons of the same Family, (Tickets not transferable,) the advantages of Warm and Cold Fresh water Baths, access to the Swimming Bath, admission to the Rotunda and Gardens, except when specially engaged together with the use of the Waters, £5 5s. Single Subscriptions for the same advantages, £2. 2s.

Subscriptions for shorter periods, or for separate advantages, will be arranged by special agreement.

For information respecting the hire of the Pump Room, and all other particulars connected with the various departments, application must be made to the Resident Manager, Mr H. J. Ingram, Architect Montpellier Agency Office, or at the Baths, Cheltenham,

that science can devise for carrying out the Botanic and
Hydropathic Medical Treatment in perfection.

For further particulars, apply to the Proprietor, at the
Establishment. Caledonian Brewery, Cheltenham,

October 26th, 1856.

DEAR DOCTOR,—I am happy to inform you that I am now quite
well, and consider it my duty to state this, for I had been ill so long
from a severe chill that I had received, which deprived me of the
use of one leg and one arm. I had received the attendance and
advice of several medical men in Cheltenham, it is true that I felt a
little better for a short time, but afterwards I soon became just as
bad as ever. Then I was advised by a sincere friend to try your
Reformed System of medical treatment, which I am happy to say
had the desired effect, and now I am proud to inform you that I feel
myself quite strong and perfectly healthy. I trust that this simple
but honest testimony of mine may encourage others, who may be
suffering from similar diseases, to apply to you, as I firmly believe
that your mode of treatment is calculated to afford them relief.

It is my sincere desire that you may have great and continued
success in your honourable profession.

And, I remain, dear Doctor, your sincere friend and well-wisher,
To Dr. Turnbull, Sherborne House. ANN TINGLE.

TO DR. TURNBULL, SHERBORNE HOUSE.

DEAR SIR,—Gratitude induces me to acknowledge the benefit I
have received from your Botanical system of practice as being
superior to any other treatment recommended by other medical
men. I, therefore, wish you to make use of this, my acknowledgment
in any way you think proper, in the hope that many of my fellow-
creatures may receive like benefit from the same mode of treatment.

I remain, dear sir,

Yours respectfully,

THOMAS FRENCH OVERTON,

340 High-street, Cheltenham.

I have much pleasure in publishing this testimonial, because it refers
to a most peculiar tumour which had existed on the right wrist for
nearly three years; it took me three months to eradicate it, and I
must admit, that great credit is due to Thomas French Overton,
Esq., for his long patience and perseverance under the Botanical or
Reformed system of medical treatment.

N.B.—The above case baffled the skill of several surgeons in
Cheltenham. D. TURNBULL.
