In its preparation much trouble and some expense has necessarily been incurred; but for these, the conviction that they are not unappreciated has afforded ample compensation.

STREET GUIDE AND DIRECTORY.

In the following Alphabetical arrangement of the various Streets and other places of which the Town of Cheltenham consists, the situation of each is endeavoured to be indicated by reference, first, to its nearest known locality, and, secondly, to the Ward in which it is situated, so as to guide a stranger at once to the direction in which it will be found; the capital letters N, C, E, S, M, and W referring to the North, Central, East, South, Middle, and West Wards; those thoroughfares in which two or more initials are employed being Streets along which the line of severance travels down the centre—as High Street, Portland Street, Rodney Terrace, &c

The Directory is strictly confined to Streets inhabited either wholly or in part by the Resident Gentry—those occupied by persons engaged in trade, or by the labouring classes generally, being passed over, for the obvious reason that any attempt to furnish a correct list of their inhabitants would be as impossible as unnecessary in a work expressly designed for the use of the upper circles of society, or persons extensively engaged in trades and callings having constant intercourse therewith.
