ADVERTISEMENT.

The Publisher of this, the FORTY-SIXTH VOLUME of the "Cheltenham Annuaire," desires to express his thanks for the kind support his work has uniformly received through so long a period as its issue represents, during which many attempts have been made to supplant it in public estimation, but all unsuccessfully. Upon the present Volume much pains has been bestowed in order to render it as accurate, both for the County and the Town, as the nature of such a publication will admit, and it is believed the information it contains will be found generally reliable.

January 1st, 1882.

STREET GUIDE AND DIRECTORY.

In the following Alphabetical arrangement of the various Streets and other places of which the Town of Cheltenham consists, the situation of each is endeavoured to be indicated by reference, first, to its nearest known locality, and, secondly, to the Ward in which it is situated, so as to guide a stranger at once to the direction in which it will be found; the capital letters N, C, E, S, M, and W referring to the North, Central, East, South, Middle, and West Wards; those thoroughfares in which two or more initials are employed being Streets along which the line of severance travels down the centre—as High Street, Portland Street, Rodney Terrace, &c

The Directory is strictly confined to Streets inhabited either wholly or in part by the Resident Gentry—those occupied by persons engaged in trade, or by the labouring classes generally, being passed over, for the obvious reason that any attempt to furnish a correct list of their inhabitants would be as impossible as unnecessary in a work expressly designed for the use of the upper circles of society, or persons extensively engaged in trades and callings having constant intercourse therewith.

 CONTAINING ALSO WEEKLY LISTS OF THE
ARRIVALS AND DEPARTURES,

LOCAL AND GENERAL INTELLIGENCE
 As is calculated to interest the Residents and Visitors of
 Cheltenham as well as their Friends at a distance.

This popular little Paper has been now established nearly half a century, and has obtained the approval and support of the affluent and educated circles of Society to an extent wholly unexampled in the annals of the Provincial Press; having, through all the changes of time and vicissitudes of fashion, maintained its influence unimpaired, and commanded among the upper circles of Society a more extensive circulation than any other Newspaper published in Cheltenham. Nor will the reader find in any existing Journal of the district more authentic or earlier information relative to such matters as are likely to prove of general interest; while its notices of passing events, of the Educational and other Public Institutions, as well as of the Public Amusements of the Town, are uniformly dictated in a spirit of impartiality, and with every desire to preserve a faithful record of the Sayings and Doings of which the LOOKER-ON professes to take cognizance. Its form, and the hour of its publication, render it peculiarly eligible for the companionship of the breakfast table; while the character of its contents as peculiarly qualifies it for introduction into the drawing room.

The LOOKER-ON is published every Saturday Morning, at Nine o'clock, and is delivered at the residence of Subscribers as soon after as possible. An Edition is printed late on Friday Night for delivery by post in the surrounding Villages, coincidentally with the delivery in the Town.

Advertisements, to ensure insertion, should be forwarded to the Office not later than Thursday.

Beg respectfully to submit to your notice the following select preparations. They are all compounded under their personal superintendence, without regard to trouble or expense; most of them have been in use 30 years; and from the testimony they have received of their worth, they fully believe them equal to any preparations that have ever been introduced to the public for their respective uses.

Butcher's Digestive and Tonic Pills

PROPRIETOR—MR. H. J. COCHRANE

OFFICES—27, CLARENCE STREET.

This well-established FAMILY NEWSPAPER—the Oldest except one in the County of Gloucester—the Proprietor desires to introduce anew to the notice of the Residents and Visitors of Cheltenham, assuring its present Subscribers that no change whatever will take place in its political principles, nor in the efforts of its conductor to uphold the Constitution as by law established in Church and State.

While, however, aspiring to the approval and support of those who believe that the happiness and prosperity of all classes and orders of Society are best attained by a practical expression of Conservative views, the especial aim of the CHELTENHAM CHRONICLE will be to preserve a record of all events and occurrences of public interest, without reference to Party, but chiefly will it aspire to be found worthy of admission into the family circle, it being the determination of its Proprietor to admit no article into its columns which may tend to pollute the mind of the reader, or sap the foundations of Christianity.

The General Intelligence of the Paper will be brought down to as late an hour as possible, and under this head will be included the political news of the week, and such other subjects as are of current interest.

The CHELTENHAM CHRONICLE is published every TUESDAY MORNING, at Nine o'clock, at 27, Clarence Street, and will be delivered (or Posted Free) at the Residence of Subscribers in any part of the town as soon after that hour as possible.

Advertisements are particularly requested before 5 p.m. on Monday.

Every description of Printing neatly and expeditiously executed.

ARTIFICIAL TEETH.

The importance of having these Health Preserving Substitutes constructed with scientific care, can scarcely be overrated.

When so adjusted they are elegant in appearance, of essential service in mastication, and are a source of comfort to the wearer.

The introduction of the Chemically Prepared Vulcanite has been attended with many advantages. It supersedes in most cases the use of Gold and other Plates, and is altogether unobjectionable as regards cost, comfort, and long service.
