The present Volume of the ANNUAIRE, it will be seen, has been carefully revised throughout and improved by the introduction of much information not to be found in either of its former issues. Into the first portion, an account of the New County Council, with the Names and Addresses of its Members, has been incorporated; and to the second—the Street Guide and Directory of the Resident Gentry of Cheltenham and its Environs—very considerable additions have been made; while a Classified List of the Principal Tradesmen has been added to the Alphabetical arrangement, alone included in previous Editions, so as to render the Work more useful and complete. The Appendix, containing the Public Institutions and Authorities of the Town, has been also equally carefully corrected; and such additions made thereto as the progress of Society, or the interests of the community appeared to demand. In fact, no pains have been spared to render this—the FIFTY-FOURTH VOLUME of the CHELTENHAM ANNUAIRE and GLOUCESTERSHIRE DIRECTORY—worthy a continuance of the patronage its publication has uniformly hitherto received.

The present Volume of the *Library* is well known to have been carefully revised throughout and approved by the introduction of such information as has been found in either of the former issues. This the first portion, an account of the New County Council, with the Names and Addresses of its Members has been incorporated; and in the second—the names of the Members and Directors of the Board of Education and the various very respectable institutions have been made; while a Classified List of the Principal Teachers has been added to the Alphabetical arrangement of names included in previous Editions so as to render the *Work* more useful and complete. The Appendix containing the Public Institutions and Authorities of the Town has been also equally carefully corrected and such additions made thereto as the progress of Society or the interests of the community appeared to demand. In fact the paper has been given to render this the first-Volume of the *CURRICULAR ANNALES* and *GRACIFICATION* character—worthy a continuance of the patronage its publication has uniformly

## STREET GUIDE AND DIRECTORY.

*In the following Alphabetical arrangement of the various Streets and other places of which the Town of Cheltenham consists, the situation of each is endeavoured to be indicated by reference, first, to its nearest known locality, and, secondly, to the Ward in which it is situated, so as to guide a stranger at once to the direction in which it will be found; the capital letters N, C, E, S, M, and W referring to the North, Central, East, South, Middle, and West Wards; those thoroughfares in which two or more initials are employed being Streets along which the line of severance travels down the centre—as High Street, Portland Street, Rodney Terrace, &c*

*The Directory is strictly confined to Streets inhabited either wholly or in part by the Resident Gentry—those occupied by persons engaged in trade, or by the labouring classes generally, being passed over, for the obvious reason that any attempt to furnish a correct list of their inhabitants would be as impossible as unnecessary in a work expressly designed for the use of the upper circles of society, or persons extensively engaged in trades and callings having constant intercourse therewith.*

Every Post Office is open to the Public for Parcel Post business on week-days during the same hours as for general postal business. No Parcel Post business, as a rule, is transacted in England or Ireland on Sundays, Christmas Days, and Good Fridays; nor in

Scotland on Sundays and Sacramental Fast Days. There is however one Delivery of Parcels on Christmas Day and Good Friday.

The following are the principal conditions and regulations—

The size allowed for an Inland Postal Parcel will be—

|                                    |         |             |

The most convenient mode of measuring will be by means of a tape 6 feet long, having the length of 3 ft. 6 in. marked thereon.

The rates of Postage are—

No Parcel will be accepted which weighs more than 11 lbs., or is not sufficiently paid. The postage must, in all cases, be paid in advance, and by ordinary postage stamps, which must be affixed by the sender before tendering a Parcel for transmission by Parcel Post at a Post Office.

POSTING OF PARCELS.—Parcels must not be posted in a letter box, but must be taken into a Post Office and handed over the counter. Care must be taken that every Parcel bears a clear address. As is calculated to interest the Residents and Visitors of  
Cheltenham as well as their Friends at a distance.

This popular little Paper has been now established more than half a century, and has obtained the approval and support of the affluent and educated circles of Society to an extent wholly unexampled in the annals of the Provincial Press; having, through all the changes of time and vicissitudes of fashion, maintained its influence unimpaired, and commanded among the upper circles of Society a more extensive circulation than any other Newspaper published in Cheltenham. Nor will the reader find in any existing Journal of the district more authentic or earlier information relative to such matters as are likely to prove of general interest; while its notices of passing events, of the Educational and other Public Institutions, as well as of the Public Amusements of the Town, are uniformly dictated in a spirit of impartiality, and with every desire to preserve a faithful record of the Sayings and Doings of which the LOOKER-ON professes to take cognizance. Its form, and the hour of its publication, render it peculiarly eligible for the companionship of the breakfast table; while the character of its contents as peculiarly qualifies it for introduction into the drawing room.

The LOOKER-ON is published every Saturday Morning, at Nine o'clock, and is delivered at the residences of Subscribers as soon after as possible. An Edition is printed late on Friday Night for delivery by post in the surrounding Villages, coincidently with the delivery in the Town.

*Advertisements, to ensure insertion, should be forwarded to the Office not later than Thursday.*

# THE CORPORATION OF THE SCOTTISH PROVIDENT INSTITUTION.

Head Office—6, ST. ANDREW SQUARE, EDINBURGH.

THIS SOCIETY COMBINES THE ADVANTAGES OF  
**Mutual Assurance with Moderate Premiums.**

An Assurance of £1,200 or £1,250 may generally be secured from the first for the yearly payment which elsewhere assures (with profits) £1,000 only—equal to an immediate Bonus of 20 to 25 per cent.

The Whole PROFITS go to the Policyholders, on a system at once safe and equitable,—no share being given to those by whose early death there is a loss to the common fund.

The SURPLUS at last Investigation was £1,051,035, of which £350,345 was reserved for future division. The participants were 9,384. First additions ranged from 18 or 20 to 34 per cent., according to age and class. Other Policies were increased 50 and 80 per cent.

**Examples of Premium for £100 at Death—With Profits.**

| Age next Birthday. | 30      | 35      | 40      | 45      | 50      | 55      |
|--------------------|---------|---------|---------|---------|---------|---------|
| During Life        | £2 1 6  | £2 6 10 | £2 14 9 | £3 5 9  | £4 1 7  | £5 1 11 |
| 21 Payments        | £2 15 4 | £3 0 2  | £3 7 5  | £3 17 6 | £4 12 1 | £5 10 2 |

A man at 30 may thus secure £1,000 at death by the yearly payment of 2 15 .., which would generally elsewhere assure (with profits) £800 only.

Or he may secure £1,000 by twenty-one yearly payments of £27 13s. 4d.—*being thus free of payment after age 50.*

At 40 the Premium ceasing at 60 is, for £1,000, £33 14s. 2d.—about the same as most Offices require during the whole term of life. Before these Premiums have ceased the Policy will have shared in at least one division of profits.

To PROFESSIONAL MEN and others, whose income is dependent on continuance of health, this limited payment system is specially recommended.

The Premiums may be limited to 7, 14, or other number of Payments.

**The Realised Funds exceed 6 $\frac{3}{4}$  Millions.**

Their INCREASE in last Septennium has been greater than in any other Office in the Kingdom—due in large measure to systematic economy of management, the ratio of expenses over the same period having been under 10 per cent. of premiums.

The SOCIETY has taken a leading part in the REMOVAL OF RESTRICTIONS AND GROUNDS OF CHALLENGE.

ALL POLICIES (not seafaring or military risks, for which special arrangements may be made) are WORLD-WIDE after five years—provided the Assured has attained the age of 30.

Arrangements as to SURRENDER, NON-FORFEITURE, LOAN ON POLICIES (within their value), EARLY PAYMENT OF CLAIMS, &c., are specially liberal.

REPORTS with full information and TABLES of RATES may be had on application.

*Extract from the "LANCET," January 5th, 1878.*

"NIGRINE: A JET BLACK MARKING FLUID.—We can recommend this as a very good and convenient Marking Ink. We have submitted Linen marked with it to some of the most powerful of chemical agents, including acids, alkalies, and chlorine of potassium, and have found that it was very much easier to destroy the

linen than the marking upon it. In fact the writing could not be effaced by any of the agents we employed."

*Extract from the "SANITARY RECORD," Feb. 22nd, 1878.*

"We believe that MATHER'S NIGRINE is the very best of all Marking Inks. It is not often that we meet with an article which is in every respect what the manufacturer states it to be, and having in this case exhausted all our resources in endeavouring to prove the facts we have stated, we must acknowledge MATHER'S NIGRINE as the blackest, most lasting, and satisfactory ink of which we are cognisant."

Ladies will find an interesting and an agreeable occupation in using MATHER'S NIGRINE for Etching Fern Leaves, Rustic Scenery, Views, &c., on cloth, which may be used for dessert doyleys, antimacassars, toilet mats, and sundry other ornamental and useful work, as from the finer lines remaining distinct after repeated washing, very satisfactory results may be obtained from this fluid, which is not the case with any other Marking Ink.

SOLD IN BOTTLES, at 6d., 1s., 2s. 6d., and 5s. each.

BY ALL CHEMISTS AND STATIONERS.
