NATHANIEL BLOODWORTH.

Analytical Report.

COUNTY LABORATORY,

14, Brunswick Road, Gloucester,
June 8th, 1889.

“Samples of Bread received from Mr. NATHANIEL BLOODWORTH, Baker & Flour Dealer, 306, HIGH STREET, Cheltenham.

Sample No. 1 described as ‘Best WHITE BREAD,’ is perfectly Pure and of the Highest Quality, and is evidently prepared from the Best Wheat Flour. ∴ ∴

Sample No. 2 described as ‘ORIGINAL HOME-MADE BREAD.’ This Sample is Perfectly Pure; the much larger quantity of maltose (sugar) and albumenoids (true flesh-formers) than is found in ordinary Bread, will explain its easier digestibility and greater nutritive value.”

(Signed) GEO. EMBREY, F.C.S.,
Public Analyst for the City and County of Gloucester.

MATHER'S NIGRINE.

A JET BLACK MARKING FLUID
For MARKING LINEN, COTTON, &c.

No Preparation or Heating required after being Written.

All Articles Marked with MATHER'S NIGRINE will stand Boiling in the following Solutions, whereas Marking Inks made with Silver will not, viz.—

Solution Cyanide of Potassium.	Solution Caustic Soda.
„ Caustic Potash.	„ Chloride of Lime or Bleaching Powder.

EVERY BOTTLE GUARANTEED.

The following advantages are gained by using MATHER'S NIGRINE :—

- 1st—No WARM IRON or HEATING required.
- 2nd—No PREPARATION.
- 3rd—No fear of SCORCHING or BURNING the cloth.
- 4th—Can be used with a STEEL or QUILL PEN, BLOCKS or STENCIL PLATE, for Monograms.
- 5th—The Bottles contain DOUBLE the Quantity of Ordinary Marking Inks.
- 6th—Becomes, when washed, a JET BLACK, which gets DARKER with repeated washing and age.
- 7th—Cannot be removed by any CHEMICAL MEANS.
- 8th—Will not injure the most delicate Fabric.
- 9th—Flows readily from the Pen.

Extract from the "LANCET," January 5th, 1878.

"NIGRINE: A JET BLACK MARKING FLUID.—We can recommend this as a very good and convenient Marking Ink. We have submitted Linen marked with it to some of the most powerful of chemical agents, including acids, alkalies, and chlorine and cyanide of potassium, and have found that it was very much easier to destroy the linen than the marking upon it. In fact the writing could not be effaced by any of the agents we employed."

Extract from the "SANITARY RECORD," February 22nd, 1878.

"We believe that MATHER'S NIGRINE is the very best of all Marking Inks. It is not often that we meet with an article which is in every respect what the manufacturer states it to be, and having in this case exhausted all our resources in endeavouring to prove the facts we have stated, we must acknowledge MATHER'S NIGRINE as the blackest, most lasting, and satisfactory ink of which we are cognisant."

Ladies will find an interesting and an agreeable occupation in using MATHER'S NIGRINE for Etching Fern Leaves, Rustic Scenery, Views, &c., on cloth, which may be used for dessert doyleys, antimacassars, toilet mats, and sundry other ornamental and useful work, as from the finer lines remaining distinct after repeated washing, very satisfactory results may be obtained from this fluid, which is not the case with any other Marking Ink.

SOLD IN BOTTLES at 6d., 1s., 2s. 6d. and 5s. each, by all Chemists and Stationers.
