PUBLISHED BY EDWARD DAVIES, AT THE OFFICE OF
"THE CHELTENHAM LOOKER-ON."

P R E F A C E .

Many of the unsolicited testimonies to the accuracy of last year's issue of the above work, received during the past few months, have been accompanied by the expression of a wish that the Publisher would widen the scope of the work so far as to admit the insertion of the names of the principal inhabitants, other than those included in the list of Resident Gentry. Acting on this suggestion he has given in this edition both

A List of Resident Gentry,

AND ALSO

A General Residential List,

of a character sufficiently comprehensive to satisfy ordinary needs.

The Publisher has been encouraged to make this addition to the work by the steady increase in its sale; the last issue having been larger than that of any previous year. He hopes, by thus widening the scope of the volume, to still further extend the good reputation which it has always enjoyed as a standard work of local reference.

January 1st, 1892.

* * *The Names of Residents in the immediate Neighbourhood have hitherto been entered both here and also among the Resident Gentry of Cheltenham. Charlton Kings and Leckhampton have, however, become so completely part of Cheltenham for Directory purposes that to avoid repetition the names of new residents in these parishes are entered among the Resident Gentry of Cheltenham only. Those names which have been in both Lists for many years past are not this year removed from either, but in the Edition for 1893 the addresses of residents in the two parishes above named will be given in the Cheltenham Section only, unless intimation is received during the year to the effect that the dual arrangement is preferred.*

† THE QUARTER SESSIONS are held at Gloucester, on Tuesday, in the week next after the 11th of October, 23th of December, 31st of March, and 24th of June. With respect to the Easter Sessions, the Justices of the Peace have power to alter the day for holding the same, so as not to be earlier than the 7th of March, nor later than the 22nd of April. If any of these dates fall on Sunday, the Session will be held on and after the Monday week following.

GLOUCESTERSHIRE COUNTY COUNCIL.

Constituted under the Local Government Act of 1888. Sixty Councillors and Twenty Aldermen elected triennially. The first Council was chosen on the 16th of January, 1889, and entered on their duties on the 1st of April, taking over nearly all the non-judicial business of Quarter Sessions. The Council usually hold a Meeting on November 7th to elect a Chairman, and—every third year—to choose Aldermen. The Quarterly Meetings have hitherto been held in January, April and July, on the Monday after Quarter Sessions.

The Standing-Joint Committee, now (in consequence of the adoption of a scheme proposed by Sir John Dorington) the more important administrative body, consists of the 80 Members of the County Council, with whom are associated 89 Justices appointed by Quarter Sessions, who may or may not be also Members of the County Council. As at present arranged the Finance Committee of the Joint Committee meets on the Monday in Quarter Sessions week; the Joint Committee on the Tuesday; and the Quarter Sessions on the Tuesday and following days.

An Act was passed last Session deferring the Triennial Election until 1892, and, in accordance with its requirements, the election of Councillors for Gloucestershire has been fixed to take place in March next; the Meeting for election of Chairman and Aldermen taking place in the same month. The following list will therefore be strictly accurate for a short period of the year only. It is not, however, very likely that there will be any great change in the Council after March.

The most convenient mode of measuring will be by means of a tape 6 feet long, having the length of 3 ft. 6 in. marked thereon.

## ADVERTISEMENTS.

Published every Saturday Morning, Price 3d.,  
THE  
CHELTENHAM LOOKER-ON,  
A NOTE-BOOK OF  
THE SAYINGS AND DOINGS  
OF  
Social, Political & Fashionable Life,  
CONTAINING ALSO WEEKLY LISTS OF THE  
ARRIVALS AND DEPARTURES,  
AND A SELECTION OF SUCH  
LOCAL AND GENERAL INTELLIGENCE  
As is calculated to interest the Residents and Visitors of  
Cheltenham as well as their Friends at a distance.

This popular little Paper has been now established more than half a century, and has obtained the approval and support of the affluent and educated circles of Society to an extent wholly unexampled in the annals of the Provincial Press; having, through all the changes of time and vicissitudes of fashion, maintained its influence unimpaired, and commanded among the upper circles of Society a more extensive circulation than any other Newspaper published in Cheltenham. Nor will the reader find in any existing Journal of the district more authentic or earlier information relative to such matters as are likely to prove of general interest; while its notices of passing events, of the Educational and other Public Institutions, as well as of the Public Amusements of the Town, are uniformly dictated in a spirit of impartiality, and with every desire to preserve a faithful record of the Sayings and Doings of which the LOOKER-ON professes to take cognizance. Its form, and the hour of its publication, render it peculiarly eligible for the companionship of the breakfast table; while the character of its contents as peculiarly qualifies it for introduction into the drawing room.

The LOOKER-ON is published every Saturday Morning, at Nine o'clock, and is delivered at the residences of Subscribers as soon after as possible. An Edition is printed late on Friday Night for delivery by post in the surrounding Villages, coincidentally with the delivery in the Town.

*Advertisements, to ensure insertion, should be forwarded to the Office not later than Thursday.*

From Miss Gibbings, Buckholt, Cranham, Stroud.

Sir,—I have much pleasure in bearing testimony to the success of your Powders for Dogs. My dog was seized with what threatened to be a most severe attack of Distemper. After two or three days the improvement was marked ; the dog has now quite recovered.—Nov. 26th.

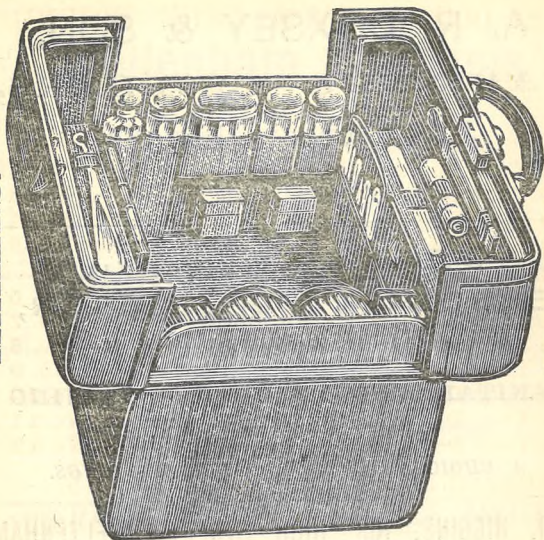

From J. M. Hall, Degnist House, Oban.

Dear Sir,—Please send me some of your Cat Powders the same as last. They are excellent.

From Mrs. Gladwin, 72, Warwick Street, Eccleston Square,

Their large and influential circulation throughout the County, and the combination of a Weekly and Daily Journal of high standing, render them valuable Advertising Media for Professional Men, Auctioneers, and the Trading community, whilst the Special Cheap Rates for Prepaid Advertisements make them the best channels for supplying the general wants of the public in these respects.

They are the recognised Media for Legal, Official, and Railway Notices; and the large number of Public Announcements and Business Addresses which appear in their columns, are the

BEST POSSIBLE PROOF

of their value to Advertisers, and of their increasing popularity.
 Their combined Circulation

that of any other Local Paper, and they are read by all classes, irrespective of Politics.

THE
GLOUCESTERSHIRE CHRONICLE.

(ESTABLISHED 1833.)

Is extensively circulated throughout the counties of Gloucester, Worcester, Hereford, Monmouth, and Wilts, amongst the gentry, clergy, yeomanry, and trading classes, being distinguished amongst its contemporaries by its literary articles, and the fulness and variety of its general news, in obtaining which expense and labour are not spared. It is carefully edited and revised, and is essentially a family Newspaper. "The GLOUCESTERSHIRE CHRONICLE—the principal local paper."—See Charles Dickens' "ALL THE YEAR ROUND."

WEEKLY—Published every Friday

PRICE ONE PENNY.

“The largest circulation in the county.”—*Vide
Printers' Register, Nov. 4, 1874.*

The STROUD NEWS is a Unionist Newspaper, and was established in 1867. It is replete with well-arranged and selected local and general news, which from its fulness and impartiality cause this paper to be regarded as the leading and most influential and reliable of any journal in the neighbourhood. It circulates throughout the county generally, and more extensively in Stroud, Nailsworth, Brimscomb, Bisley, Stonehouse, Minchinhampton, Painswick, Chalford, Oakbridge, Avening, Newnham, Cinderford, Frampton-on-Severn, Dursley, Berkeley, Rodborough, Amberley, Littleworth, Wheatenhurst, Gloucester, Cirencester, and Cheltenham. Taking into account the important sphere of its circulation, which embraces the agricultural districts of the county, the mining neighbourhood of the Forest of Dean, and its central position in the manufacturing districts where that staple article of trade, the West of England cloth, is produced, it is by far the best advertising medium. The NEWS has a larger and more influential circulation than any local contemporary, the superior class of its subscribers, and its constantly increasing popularity, stamp it as a first-class organ.
