THE TEWKESBURY REGISTER,

A WEEKLY NEWSPAPER. PRICE ONE PENNY.

Published on Friday Evening for Saturday.

From its first establishment in July, 1858, "THE REGISTER" has held a very secure and influential position, with the Clergy, Gentry, Tradesmen, and general body of the working classes resident both in the Town of Tewkesbury and throughout the prosperous and wide surrounding agricultural district which trades with the Town. It is issued in time for dispatch by Friday evening's post, and on Saturday morning circulated by special messengers through the neighbouring villages. Established for the support of Constitutional principles, the position has been unswervingly maintained, and the fact of a large and wide circulation is the most satisfactory evidence that the method of conduct is thoroughly appreciated. Carefully written reports of all Local, District, and Home and Foreign News, will be found in each week's paper, and the best effort of the Proprietors is directed to the maintenance of a trustworthy and respectable record of passing events, from the columns of which all scurrilous matter and indecent, quack medicine, and money lending, advertisements are excluded.

"THE TEWKESBURY REGISTER" is the best medium available to all Advertisers who wish their announcements to have a thoroughly good and wide circulation in Tewkesbury and the neighbourhood. This statement finds a reliable guarantee in the large measure of patronage it secures not only from the local Auctioneers and Professional Men, but also from those of other Towns.
