Electrolysis.

ELECTROLYSIS is used in Surgery as a means for producing destruction of tissue in a simple and minute localised manner. This is effected indirectly by the action of the chemical bodies liberated at the poles during the passage of the current.

The advantages of being able to localise the effects so precisely is well seen in the operations for the removal of hairs, for here the destructive effects are confined to such a minute area in the immediate neighbourhood of the hair follicle that no perceptible scar is produced although the hair follicle is eradicated.

ELECTROLYSIS is the neatest and most convenient way of destroying Moles, Birth-marks, Port Wine Stains, Nævi, & other facial disfigurements. It is a simple process, easy of application, invariably successful, and in many cases it is almost painless. Of this there can be no doubt. Then again Electrolysis is the **ONLY MEANS** by which Superfluous Hairs can be permanently removed. It is sometimes a tedious process, but the result, even in the worst cases, is a certain cure in the end. Mr. FIELD guarantees success in his treatment of the above diseases, and only charges one fee to carry each case to a successful termination. Those anxious to rid themselves of an unsightly deformity, should consult Mr. A. J. FIELD, Orthopædist and Medical Electrician, 6, Rodney Place, Cheltenham.

THE Cheltenham Looker-On,

A NOTE-BOOK OF

THE SAYINGS & DOINGS

OF

Social, Political, & Fashionable Life;

CONTAINING ALSO WEEKLY LISTS OF THE

ARRIVALS & DEPARTURES,

AND

A VISITORS' LIST.

The success which the LOOKER-ON has achieved among the Upper Classes of Society, from its establishment in 1833 to the present time, has been due to a combination of such local information as interests the Educated Classes, with the best elements of a Society Journal. The attention paid to Fashionable, Scholastic, and Military matters, results in its being frequently sent to all parts of the Empire, particularly to India. Its articles of a general character are especially contributed by recognised writers.

The form of the LOOKER-ON allows of its lying throughout the week on the Drawing-room tables of the Residents, where it is read by the Subscribers and their Visitors. The limitation set to the number of Advertisements adds to its value as a medium for any Advertisement appealing to the Educated and Wealthy Classes.

The LOOKER-ON is published every Saturday morning, at Nine o'clock, and is delivered at the Residence of Subscribers as soon after as possible. An Edition is printed late on Friday Night for delivery by post in the surrounding Villages, coincidentally with the delivery in the town.

Advertisements, to ensure insertion, should be forwarded to the Office not later than Thursday.

Published by William J. Crawford, 2, Montpellier Walk.

THE TEWKESBURY REGISTER.

A WEEKLY NEWSPAPER. PRICE ONE PENNY.

Published on Friday Evening for Saturday.

From its first establishment in July, 1858, "THE REGISTER" has held a very secure and influential position, with the Clergy, Gentry, Tradesmen, and general body of the working classes resident both in the Town of Tewkesbury and throughout the prosperous and wide surrounding agricultural district which trades with the Town. It is issued in time for dispatch by Friday evening's post, and on Saturday morning circulated by special messengers through the neighbouring villages. Established for the support of Constitutional principles, the position has been unswervingly maintained, and the fact of a large and wide circulation is the most satisfactory evidence that the method of conduct is thoroughly appreciated. Carefully written reports of all Local, District, and Home and Foreign News, will be found in each week's paper, and the best effort of the Proprietors is directed to the maintenance of a trustworthy and respectable record of passing events, from the columns of which all scurrilous matter and indecent, quack medicine, and money lending, advertisements are excluded.

"THE TEWKESBURY REGISTER" is the best medium available to all Advertisers who wish their announcements to have a thoroughly good and wide circulation in Tewkesbury and the neighbourhood. This statement finds a reliable guarantee in the large measure of patronage it secures, not only from the local Auctioneers and Professional Men, but also from those of other Towns.
