Since its establishment in July, 1858, "The Register" has held a very secure and influential position with the Clergy, Gentry, Tradesmen and general body of the working Classes resident both in the Town of Tewkesbury and throughout the prosperous and wide surrounding agricultural district. It is issued in time for dispatch by Friday evening's post, and on Saturday mornings is circulated by special messengers through the neighbouring villages. Established for the support of Constitutional principles, the position has been unswervingly maintained. Carefully written reports of all Local, District and Home and Foreign News will be found in each week's paper, and the best efforts of the Proprietor are directed to the maintenance of a trustworthy record of passing events.

"The TEWKESBURY REGISTER" is the best medium available to Advertisers who wish their announcements to have a thoroughly good and wide circulation in Tewkesbury and the neighbourhood.
