BY FEEDING CHICKENS, PHEASANTS, &c., during the hatching season upon the Bull and Biscuit Chicken Meal, extreme climatical changes will not affect them to any great extent—it gives the same good results under all conditions. Evidence of this fact is given in letters received from users in most parts of England. This Meal has stood the test for many years, and the sales have increased by leaps and bounds. Why? Because investigation and observation are being constantly made by a trained staff, with the result that important improvements are constantly being made, both in composition and preparation.

Registered Trade Mark.

It is sold in sealed bags, bearing our Registered Trade Mark, the Bull and Biscuit, price 15/6 per cwt., carriage paid.

Our Special Dry Chick Feed, containing many varieties of grain and seed, is sold at 13/6 per cwt., carriage paid.
