DIRECTORY OF THE PRINCIPAL RESIDENTS IN THE COUNTY OF GLOUCESTER, 1916.

The following List must not be regarded as a complete County Directory. It is, however, a fairly comprehensive selection of the Principal Residents—Private, Professional, and Official—in the County, other than those in the Cities of Bristol and Gloucester (with a few exceptions), and Charlton Kings and Leckhampton, the latter of which will be found in the Cheltenham List.

The difficulties of compiling a list embracing such a large area, except with the courteous aid of the persons concerned, are many; and the expense heavy. Every opportunity for correction has been given and every effort made to ensure accuracy. As no such compact list can be found elsewhere, the Editor would welcome any corrections or criticisms that would lead to its greater usefulness.
