The good housewife's joy
 —perfectly laundered linen.

The laundering of linen is a science and a task beyond the strength of the housewife.

May we show you how well your linen can look? And our low scale of charges?

We shall be pleased to execute a trial order.

"Let me do your Laundering." Ask for our Vanman to call.

LONDON TAILORS BEST.

Mr. Chaliapine, the Great Singer, has achieved a reputation for his sartorial tastes. He has already a very large personal wardrobe and he has just purchased 20 suits in London. "There is no one who can make clothes like the London Tailors," he said. To-day he was wearing a grey suit and a brown felt hat.
Wide "Evening News," October 11, 1924.

S. A. NEWMAN,
 LONDON'S LEADING TAILOR.

Chief Establishment and Mail Post Department.
 (Dept.) **379 & 381 BRIXTON ROAD, S.W.9.**
 (K.D.) Telephone: **BRIXTON 2224, 2225 (2 lines)**
ESTABLISHED 40 YEARS.

A few of many thousands of unsolicited testimonials received from my clients Overseas.

Pembroke, Bermuda.

I would like to express my great pleasure and satisfaction with the suit you sent me. The fit is absolutely perfect; in fact, I do not think I have ever worn clothing which fits so beautifully.—T.D.

Cape Province.

I received Dinner Jacket Suit, and have pleasure in informing you that it has proved highly satisfactory. The cost of the suit (in spite of Customs Duty) is about £5 less in price than a suit of the same quality in this country.—J.T.R.

Quebec, Canada.

Received suit. It is a splendid fit and good material. Everything O.K. Kindly send some more patterns for overcoats.—J.B.

Bermuda.

I write to thank you for the suit, which arrived in excellent condition. "Fit" is acknowledged by all my friends to be perfect. Your business methods are specially commendable.—H.J.C.

Moral.—Don't go to Hatters, Hosiers, Bootmakers or Drapers if you want Practical Tailoring.

Style Book with Self-measurement Forms and Patterns Free with Tape Measure.

My Self-measurement Forms are so simple that a child can measure by them.

Special Orders Executed in 9 Hours.

Satisfaction Guaranteed or Money Refunded.

Taxi to S. A. Newman from London W.C. in 10 minutes.

VILLAGES DIRECTORY

BISHOP'S CLEEVE is a township, parish and extensive village, forming with its hamlets the hundred of Cleeve; it is on the road from Cheltenham to Evesham, $1\frac{1}{2}$ miles north-east from the Cleeve station of the Midland railway and $3\frac{1}{2}$ north from Cheltenham and 119 from London. A new line was opened 1st June, 1906, by the Great Western Railway Co. from Cheltenham to Honeybourne, and has a station close to the village and another at Gotherington, about 1 mile from the village. Bishop's Cleeve is in the Cirencester and Tewkesbury parliamentary division of the county of Gloucester, rural district, union and county court district of Winchcombe, petty sessional division of Cheltenham rural deanery of Tewkesbury and archdeaconry and diocese of Gloucester. The church of St. Michael is a large cruciform structure of stone, mostly in the Norman style, with some later additions, and consisting of chancel, nave of three bays, aisles, transepts, a noble south porch of curious workmanship and an embattled central tower with pinnacles, containing a clock and 6 bells with chimies; there is a handsome marble monument with two recumbent effigies to the De la Bere family, dating from 1735 to 1742, and restored in 1803 by Thomas Baghott De la Bere esq.: in the south transept, in a recess, is the recumbent effigy of a knight, cross-legged, and still bearing traces of colouring: at the east end of the south aisle is a recumbent effigy of a nun, and there are remains of mural paintings on the wall of the north aisle: in 1898 a stained window was erected to commemorate the Diamond Jubilee of Queen Victoria, and there is also a memorial window to Arthur Henry Jones Carroll, d. 1890, and another erected by Miss S. E. Meadows, of Blockley, and a memorial brass to the Rev. William Lawrence, 56 years rector of this parish, d. 1883: the beautiful triptych in this church, painted by Eadie Reid was given by the widow of the Rev. B. F. Hemming M.A. curate here 1871-83 and rector of the parish 1883-95: in 1912 a stained window was placed in the north aisle by the Rev. Thomas Jesson LL.B. a former rector: at the west end is a handsome carved oak gallery, and a massive oak chest with three heavy locks: the church has been restored since 1897 at a cost of about £4,000: there are 350 sittings. The register dates from the year 1563. The living is a rectory, with the hamlet of Stoke Orchard annexed, joint net yearly value £1,100, including 45 acres of glebe, with residence; it is in the gift of Miss Hemming, and has been held since 1919 by the Rev. Nigel Mackenzie Morgan-Brown M.A. of Keble College, Oxford. The Bishops of Worcester formerly resided in the house now occupied by the rector. There is a Wesleyan Methodist chapel. In the village is an ancient tithe barn in good preservation, and a memorial to the men connected with the parish who fell in the Great War, 1914-18. There is a common of 1,200 acres, over which the inhabitants of Bishop's Cleeve, Southam and Woodmancote have commonable rights. The remains of an entrenchment, called "The Camps," still exist on Cleeve Cloud. The charities, derived chiefly from money invested in the Funds, are now of the yearly value of about £27, which is distributed among the poor of the parish by the trustees. Southam-de-la-Bere, formerly the seat of the Earl of Ellenborough, is an ancient building which Leland says was built in the reign of Henry VII.; it is charmingly seated and commands exquisite views of the vale of

Gloucester and the Malvern Hills, and now occupied by Mrs. Ratcliff. Cleeve Grange is the property and residence of Capt. Walter C. Steele M.C.; and Cleeve House of Mrs. W. Lascelles. The manorial rights are held by Mrs. Noblett, who is the principal landowner. The soil is strong loam; subsoil, gravelly mixture. The chief crops are wheat, beans, barley and seeds. The area of the entire parish is 8,150 acres, principally arable. township, 1,297; rateable value, £4,025; the population of the township in 1911 was 657 and in 1921, 615; the population of the ecclesiastical parish in 1911 was 1,966 and in 1921, 1,979.

GOTHERINGTON is a hamlet about a mile north, with a station, 1 mile from the village, on the Great Western railway from Cheltenham to Honeybourne. There is a Presbyterian chapel here. Area of township, 1,643 acres; rateable value, £2,443; the population in 1911 was 369 and in 1921, 341.

SOUTHAM, $1\frac{1}{2}$ miles south-south-east, and Brockhampton, $1\frac{1}{2}$ south-west and $2\frac{1}{2}$ north-east from Cheltenham, form a township, to which parts of Bishop's Cleeve and Woodmancote have been added. The township is in the Cirencester and Tewkesbury parliamentary division of the county of Gloucester, rural district, union and county court district of Winchcombe and petty sessional division of Cheltenham. The Norman chapel here, which formerly belonged to a Religious house, and was restored by the 4th Baron Ellenborough, is a small building of stone: it contains several memorial brasses and stained windows and a handsome marble font; near the church are remains of a monastery; the original tithe barn and almshouse still exist. Area of township, 3,368 acres; rateable value, £4,966; the population in 1911 was 344 and in 1921, 361.

Letters for this place should have Prestbury, Gloucestershire added

WOODMANCOTE is a township, 1 miles east, to which Bushcombe Lane, taken from Bishop's Cleeve, was added by Local Government Board Order 14,693, March 25, 1883. There is a Presbyterian chapel and a chapel of the Countess of Huntingdon's Connexion. Area of township, 983 acres; rateable value, £4,169; the population in 1911 was 462 and in 1921, 538. Letters for this place should have Cleeve Hill, Gloucestershire added

CLEEVE HILL, lying 1,130 feet above sea level, is a district partly in Southam and partly in Woodmancote parishes; it is popular as a place of residence. St. Peter's chapel of ease here was opened in 1907 and will seat 170 persons; the services are conducted by the clergy from Bishop's Cleeve. There is also an undenominational church, erected in 1901, with 100 sittings. The Cheltenham Golf Club has links here. The Cotswold Hills Golf Club has an 18-hole course here, about 2 miles from Cleeve Hill station: it was established in 1902 and has 270 members: entrance fee, gentlemen, £2 2s.; ladies, £1 11s. 6d.: subscription, gentlemen, playing members, £2 10s.; county members, £1 5s.; ladies, playing members, £1 10s.; county members, £1 5s.; visitors, 2s. 6d. per day, 10s. per week, 25s. per month: Saturdays previous to and public holidays 5s. per day: secretary, A. L. Morris. Courtauld's Private Convalescent Home is situated here; the premises were erected in 1892 and enlarged in 1908; there are now beds for 20 patients.

Post, M. O., T. & T. E. D. Office.—Walter Reginald Goring, sub-postmaster. Letters through Cheltenham

Post & T. & T. E. D. Office, Gotherington.—Mrs. Annie Edginton, sub postmistress. Letters through Cheltenham. Bishop's Cleeve is the nearest money order office

Post, T. & T. E. D. Office, Cleeve Hill.—John Petty, sub-postmaster (letters should have Gloucestershire added). Prestbury is the nearest money order office, 3 miles distant

CHARLTON KINGS is a parish and village, on the high road from London to Cheltenham, with a station on the Cheltenham and Bourton section of

the Great Western railway, 2 miles south-east from Cheltenham, $8\frac{1}{2}$ north-east from Gloucester, 105 via Oxford by rail and 92 by road from London; it is in the hundred, union, petty sessional division, county court district, rural deanery and archdeaconry of Cheltenham and diocese of Gloucester. By the Redistribution of Seats Act, 1885, so much of the parish as lies to the north of the railway from Cheltenham to Banbury was included within the extended parliamentary borough of Cheltenham: a further portion was included in the borough from Nov. 9, 1893, and the parish is now wholly within the parliamentary and municipal borough of Cheltenham. The water supply is from Cheltenham. The river Chelt, which rises in the adjoining parish of Dowdeswell, runs through this parish. The parish adopted the Local Government Act, December 31, 1861, and was governed by a Local Board from 1875, but under the provisions of the Act of 1894, it is now controlled by an Urban District Council of 12 members. The Leckhampton Quarry Co. Ltd. commenced to cut a new private railway from their pits to the railway station on October 11th, 1922. The church of St. Mary is a building of stone in the Perpendicular style, consisting of chancel, nave, aisles, transepts, south porch and an embattled central tower, with pinnacles, containing a clock and 8 bells; in the south transept is a piscina, and in the chancel a brass to Samuel Cooper, d. 1743: there are memorials to the Prinn and Russell families from 1771 to 1888, and to John Pates, ob. 1646; in 1894 a memorial window was erected by his family to the Rev. James Frederick Secretan Gabb M.A. vicar here 1834-76: in 1901 a reredos of marble and alabaster was erected: it represents the Ascension of our Lord, with the Annunciation and Burial on either side, flanked by figures of the four Evangelists; the work was executed by Mr. W. H. Fry, sculptor, who resides in the parish: a rood with moulded oak beam, mounted on corbels from the arch, was added in 1920 as a memorial to 116 men connected with the parish who fell in the Great War, 1914-18; the names of the men are inscribed on a polished slab of stone on the east wall of the nave: an organ has also been provided at a cost of £800: the church was enlarged and repaired in 1877 at a cost of £3,500, and in 1878 the chancel was rebuilt at the expense of Sir F. D. Dixon-Hartland bart. Mrs. Bold, Mrs. Banks and Mrs. Coulson: in Sept. 1917, the vestry was extended in memory of Herbert Cathorne Creek and Percy Garratt Shewell, and a stained glass window by W. Morris and Co. of London, inserted, the cost being borne by Mrs. Percy Shewell: electric light was installed in 1922 in memory of W. H. Bagnall esq. by his widow and family: there are 600 sittings: in the churchyard are the remains of a 14th century cross, which was restored to its original form in 1912: there is a lychgate at the western entrance, presented in 1920 by R. W. Boulton esq. in memory of his father and nephew, and as a thankoffering for peace after the Great War, 1914-18. The register dates from the year 1538. The living is a perpetual curacy, net yearly value £320; it is in the gift of the Bishop of Gloucester, and has been held since 1906 by the Rev. Edgar Neale M.A. of Worcester College,

Oxford. The ecclesiastical parish of the Holy Apostles was formed Sept. 22, 1885: the church, erected in the year 1871, at the expense of Charles Cook Higgs esq. of Langton House, in this parish, and consecrated June 2, 1885, is an edifice in the Geometrical Decorated style, from designs by Mr. John H. Middleton F.R.L.B.A. of Cheltenham, and consists of apsidal chancel with aisles, clerestoried nave, aisles, north and south porches and a turret containing one bell: the pulpit and the whole of the seats are of oak, the chancel stalls being carved: the reredos, of Caen stone, alabaster and marble, is divided into three compartments, the centre one being occupied by a carving of "The Last Supper": the stained west window was the gift of Thomas Potter esq. of Eastcourt, Charlton Kings, and his family; and there are two memorial windows, erected in 1893, to C. Rogers esq. and his wife, by their children, and seven other stained windows: there are memorial tablets in the church to the 44 men of the parish who fell in the Great War, 1914-1918; to Capt. Kenneth Forbes-Robertson, killed in action Nov. 7th, 1914, and to 2nd Lieut. Frances Claude Uzzell, killed in action February 1st, 1918: in 1892 the font was removed to the west end and the organ transferred to the chancel at a cost of about £350: an oak screen enclosing the choir vestry was erected in 1893 at a cost of about £170: the church will seat about 650 persons. The register dates from the year 1885. The living is a perpetual curacy, net yearly value £340; it is in the gift of the Bishop of Gloucester, and has been held since 1919 by the Rev. Alfred Henry Rhodes M.A. of Christ Church, Oxford. There is a Primitive Methodist chapel at Ryeworth, built in 1874, and a Baptist chapel in Church street, built in 1875. A cross of Monks Park stone, with a base of Cotswold stone, was erected in 1920 as a memorial to the men connected with Charlton Kings who fell in the Great War, 1914-18; the memorial is 18 feet in height, and the cost of erection was borne by public subscription. The local charities afford £135 yearly for educational purposes, apprenticing and distribution, derived from lands in this parish left in 1743 by Samuel Cooper. C. C. Higgs esq. by deed executed and duly enrolled about 1850, vested in trustees a building which he had erected at East End Hall, in this parish, for a night school, together with an adjoining field of about 8 acres, for the support of a school, and for the purchase of prizes for deserving scholars. The Working Men's Club and Institute, erected in 1888-9 at a cost of £1,434, is a structure of red brick, and contains an assembly room, seating 400 persons, and also a well-fitted gymnasium, provided at a cost of £300, as well as game and recreation rooms, a library of about 2,000 volumes, and a refreshment bar, and attached is a recreation ground which cost £388. Charlton Park is now (1925) unoccupied. Ashley Manor, the seat of Lady Dixon-Hartland, is celebrated as having the largest oaks in the county in its grounds, some of these being of great age. Near Battledown Knoll are some remains of a Roman camp. J. C. Holder esq. Lady Dixon-Hartland, the Lilly Brook Hotel Co. Ltd. the Leckhampton Quarries Co. Ltd. the Gloucestershire Dairy Co. Ltd. and Albert and Arthur Mitchell esqrs. are the principal landowners. The Leckhampton Quarry Co. Ltd. have a quarry here. The soil is sand in some parts, clay and gravel in others; subsoil, clay. The chief crops are wheat, barley, grass and roots. The area of the civil parish and Urban District is 3,390 acres of land and 9 of water; rateable value, £30,118; the population in 1911 was 4,495, and in 1921, 4,379. The population of the ecclesiastical parishes in 1921 was: St. Mary (parish church), 3,661; Holy Apostles, 5,168.

In 1894 by Local Government Board Order No. 31,815, that part of Charlton Kings civil parish in Cheltenham municipal borough was added to Cheltenham civil parish.

CLEEVE HILL, see Bishop's Cleeve.

GOTHERINGTON, see Bishop's Cleeve.

LECKHAMPTON is a parish and village, with a station (Cheltenham South & Leckhampton) about half a mile north from the village on the Cheltenham and Kingham branch of the Great Western railway, 2 miles south from Cheltenham; it is in the Stroud division of the county of Gloucester hundred, union, petty sessional division, county court district, rural deanery

and archdeaconry of Cheltenham and diocese of Gloucester. A large portion of this parish is included in the borough of Cheltenham. There is a tramway leading from the quarry for the conveyance of stone to the foot of the hill. The church of St. Peter is an edifice of stone, principally in the Early English style, consisting of chancel, nave of six bays, aisles, north porch and a central tower, with spire, containing 8 bells, two of which were added in 1904: in the south aisle is a brass with effigies to William Norwood esq. ob. 1598, Elizabeth (Lygon) his wife, nine sons and two daughters, with six Latin elegiac verses: in the church are two recumbent effigies of stone, coloured, representing Sir John Giffard and his lady, c. 1330, the male figure is cross-legged: there is also an effigy of an ecclesiastic: all the windows are stained, and there are various mural tablets, one of which is to the last lineal descendant of Sir Francis Drake (possibly collateral descendant is meant. Drake married, but left no issue. Ed.): there are sittings for 400 persons: on the north side of the churchyard are four recumbent stone effigies much dilapidated. The register of burials dates from the year 1682; baptisms, 1709; marriages, 1719. The living is a rectory, net yearly value from 170 acres of glebe and fees £720 with residence; it is in the gift of the Bishop of Gloucester, and has been held since 1884 by the Rev. Reginald Edward Trye M.A. of University College, Oxford, who is non-resident; the Rev. Francis Reginald Standfast M.A. of London University, has been curate in charge since 1921. The Parish Hall, erected in 1986-7, is a building of stone, used for church purposes, entertainments &c. Leckhampton Court, the property and seat of Mrs. Elwes, who is lady of the manor and principal landowner, is an ancient mansion of stone of the 16th century, commanding an extensive view over the vale. The soil is part clayey and part sandy loam: subsoil, gravelly and stoney and in some parts clay. The chief crops are wheat and barley. The area of the parish is 1,289 acres; rateable value, £5,648; the population of the ecclesiastical parish of St. Peter in 1921 was 1,317.

In 1891, by Local Government Board Order No. 31,815, that part of Leckhampton civil parish which was in the municipal borough of Cheltenham was transferred to Cheltenham civil parish.

Post, Telephone & T. Office.—Frank Arthur Webley, sub-postmaster. Letters through Cheltenham

Public Elementary School (mixed), built in 1906 at a cost of £2,000, for 220 children; E. H. Parsons, master

NOVERTON, see Prestbury.

PITTVILLE, see Cheltenham & Prestbury.

PRESTBURY is a parish and village, and was a market town in the time of Henry III.; it is on the road from Cheltenham to Winchcombe, 2 miles north-east from Cheltenham and 8 south-by-east from Tewkesbury; it is in the Cirencester and Tewkesbury division of the county of Gloucester,

lower division of the hundred of Deerhurst, petty sessional division, union county court district, rural deanery and archdeaconry of Cheltenham and diocese of Gloucester. The water supply is obtained from Cheltenham. The church of St. Mary is an ancient building of stone, principally in the Early English and Perpendicular styles, consisting of chancel, clerestoried nave, aisles, south porch and an embattled western tower containing a clock and 8 bells: all the windows are stained, and there are mural tablets in the church to William Baghot esq. d. 1725, and Ann (De la Bere), his wife, d. 1739; and to Christopher Capel, d. 1740, and Sarah, his wife, d. 1733: the church was restored in 1864, at a cost of over £3,000, under the direction of the late G. E. Street esq. R.A.: a stone tablet bearing the names of the men of the parish who lost their lives in the Great War, 1914-18, has been placed on the wall of the south chapel: there are 500 sittings. The register dates from the year 1633. The living is a vicarage, net yearly value £282, with 22 acres of glebe and residence; it is in the gift of W. Baghot-De la Bere esq. and has been held since 1919 by the Rev. John Baghot-De la Bere M.A. of Worcester College, Oxford. The Baghot family have (with two exceptions) been regularly presented to this living since the year 1587. There is a Congregational chapel, erected in 1860, with 200 sittings. In the centre of the village is a stone lantern cross mounted on three stone steps, bearing on the panels at the base the names of the men of the parish who lost their lives in the Great War, 1914-18. There is a Cottage Almshouse, described in an inscription upon it as "The gift of Anne Goodrich for the Religious Poor A.D. 1720," and available for three occupants, each receiving about 5s. weekly. The oldest charity, called "The Poor's Grounds," originally consisted of 6 cottages and two fields: the cottages were sold some years ago, and the money invested: there is also a sum of £1,800, left in 1881 by George Perton esq. and £450, left in the same year by John Surman-Surman esq.: these two sums are invested in Consols: there is also a charity called "The Durham Legacy" of £2 5s. yearly value; under a scheme of the Charity Commissioners all these benefactions are now administered by the Trustees of the Prestbury Parochial Charities. Pittville Spa is in this parish; for particulars see under Cheltenham. Cheltenham racecourse is in this parish, and near the entrance is a station on the Great Western railway (for race days). The Cheltenham Polo Club have their grounds at Prestbury Park. Prestbury House is the seat of Major Christopher Capel, and Prestbury Court the residence of Henry Edward Ripley esq. William Henry Horsley esq. is lord of the manor. The principal landowners are Wilfred Baghot-De la Bere esq. and Major Christopher Capel. The soil is various, from keen sand to stiff clay; sub-soil, chiefly gravel and clay. The chief crops are wheat and roots. The area is 3,054 acres; rateable value, £17,581; the population in 1921 was 1,933.

NOVERTON is a hamlet 1 mile east. Part of PITTVILLE is in Cheltenham.

Sacristan, Alfred Parker.

Post, M. O., T. & T. E. D. Office (letters should have Gloucestershire added).
