PICTURESQUE GLOUCESTERSHIRE—EASTLEACH MARTIN AND EASTLEACH TURVILLE

These twin parishes are two of the most interesting in Gloucestershire. They lie on the Oxford border, fourteen miles from Circncester and four miles north of Lechlade.

Both of the churches were built in the 12th century and are within a stone-throw of each other, with only the road and the beautiful little River Leach between them.

Why these two churches should have been built so close to each other contemporaneously is an interesting mystery, but in all probability they belonged to two different maners.

Mr. Gerald Dixon, whose home address is Downton House, Stonehouse, and his 3-litre Sunbeam.

He started from Penang at 11 pm. on June 19, and arrived at Singapore at 10.48 a.m. the next day, the speedometer registering 513 miles. The car used was a three-litre Sunbeam, bought second-hand from Messrs. Chinn Brothers, of Cheltenham. The previous record was 12 hours 51 minutes.
