PRESENTATION TO REV. AND MRS. A. R. ENNIS AT HOLY APOSTLES' HALL, CHELTENHAM, ON OCTOBER 22

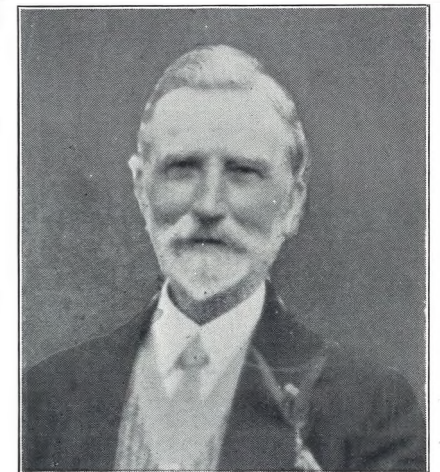

Whether it be Mansion, Villa or Bungalow,

We can build it for you as it ought to be built. The proof of our work is the confidence placed in us by people who have bought houses on the many estates we have developed locally, and are constantly recommending their friends to follow their example. Above we illustrate a detached bungalow just erected on our Grove Estate, Hale's Road. This costs £1,250 and was built for a client for whom we have already built two houses. Any type of house can be built to your own requirements and we have many delightful plans available for your assistance. In every one of these, however, the chief feature is ease of running, combined with outside and inside charm of appearance, so that you have a home which looks good and is good. Our manager of the estate (telephone 4529) is always glad to see enquirers and answer any questions. For the building of houses on your own land, or any other work of this description, including repairs and decorations, we have recently opened a Cheltenham depot under the charge of Mr. Frank Griffiths, and are always at your service (telephone 4149). Just now we have a particularly attractive lot of grates and surrounds on view in our showrooms.
