*The following questions and answers
tell you all you want to know about
this unique service—*

What is Tote Investors?

It is a Company with 74 Provincial Offices which enables its Clients to back horses on the Official Totalisator, even though they are not able to go racing. This is effected by the Company transmitting all betting instructions by telephone direct to the racecourse.

What advantages do I obtain by becoming a Client?

You will have

- (1) Absolute security.
- (2) Genuine No-Limit terms.
- (3) No risk of your account being closed if you win.
- (4) Absolute freedom to bet as you fancy. You may back one horse to win and another for a place only or you can back one or more horses for a place only without the necessity of betting to win at all, or you can have doubles or accumulators for "a win," "each way," or for "a place only" (the Company has paid as much as 380-1 for a "place" double). No restrictions will ever be placed against your methods of betting, no matter how much you may win.
- (5) Facilities for placing your betting instructions by telephone, telegram, or letter.
- (6) The opportunity to participate in the big Double Event and Forecast Pools run by the Betting Control Board during the year.
- (7) Credit facilities when you attend a Race Meeting which enable you to avoid the turmoil of the "Ring" and the necessity of carrying anything more than "pocket money."
- (8) A free copy of Tote Investors' Magazine "RACING" every fortnight.

Can I use other Offices besides my Local Branch?

Yes, arrangements can be made at short notice.

Will Tote Investors follow a system for me?

Yes, the Company has a special department for dealing with systems and any feasible one will be accepted.

Do I have to telephone my instructions a long time before a race?

Telephonic instructions can be accepted up to within a few seconds of "flagfall."

Do I have to pay a subscription in order to open an account?

None whatever.

Do Tote Investors charge any Commission?

No, the Company's service is absolutely free in every sense.

Should I send any Money with my instructions?

No, Tote Investors grants a definite amount of credit to each client. The Company sends out accounts each week. If you are a winner, a cheque will accompany your account; if you are a loser, you should settle the accounts by the following Tuesday.
