**"The Shoes that have meant so much to me"**

Sir Herbert Barker, the eminent specialist in Manipulative Surgery, recognising the serious injury caused by wearing ill-fitting shoes, states: "I consider it my duty to save people from ruining their feet and to tell them about the Shoes that have meant so much to me."

The story is told in a booklet—how Sir Herbert sought for years to find his ideal shoe and how he came to design a shoe which is a revelation of comfort. It is named the "Sir Herbert Barker Shoe," and is worn and recommended by Sir Herbert himself.

We have been appointed Selling Agents for this district, and would like you to visit us, when we can demonstrate the luxurious comfort of the shoes. Sir Herbert Barker's story of the search for his shoe is told in a Booklet. Send postcard for free copy to:

- "The really surprising thing about the Armstrong Siddeley is the manner in which the car accelerates up to 70 m.p.h."
- "The engine runs right up to its maximum speed in a manner suggestive of a steam turbine."
- "Even more important is the exceptional quietness with which the engine and transmission operate, and in this respect the Armstrong Siddeley engineers must be said to have made a real contribution to the British motor industry."
- "The self-changing gear box has gone forward continually until the latest version is something which makes gear changing under all conditions an absolute joy."
- "The amount of head and elbow room in this car is something which deserves a word of praise."
- "It is one of the least fatiguing cars to drive we have ever encountered."

For many years Bertini and His Band has been the star attraction at the Tower Ballroom and North Pier, Blackpool, and their faultless rhythm and unique style secured them many hours over the 'air.' The Pharmacy Ball Committee, following their usual policy in sparing no expense to make the Annual Ball a huge success, have engaged this super band. The combination of Bertini, the Town Hall's wonderful dance floor, together with the many attractions, prizes, and novelties, ensures that the Pharmacy Ball on Friday next (Oct. 28th) will be a real 'tonic.' Tickets are 5/6 inclusive, and can be obtained from any chemist and the Spa Bureau. Spectators' Tickets (1/-) will be issued at the doors.
