Have money... will help...

When they come to draw up their Wills, so many people would like to leave something to charity but are in doubt as to which one to choose. Possibly you are in such a dilemma yourself? If so, may we beg you to remember our Homes, where over 7000 boys and girls, including spastic and other physically-handicapped children are always in desperate need of continued support? May we go even further and ask you to spare a donation to this urgent cause—now?
